

How to raise your digital hand in Zoom!

To speak during class, you should raise your digital hand. This prevents class participants from talking over one another.

1. Look for the Reactions button at the bottom of the Zoom window. When you click on it, a pop-up menu will appear.

2. You will see several options. You can clap, or give a thumbs up, or a heart. To raise your hand, use the bottom bar.

3. When your hand is raised, you will see a "Lower hand" button appear at the bottom of the screen. Be sure to lower your hand when you're done speaking.
