

The Zoom Sign In box

UMaine System Zoom accounts must use “Sign in with SSO.”

The screenshot shows the Zoom Sign In interface. At the top, it says "Sign In". Below that are fields for "Email Address" (containing "u.s.1234@maine.edu") and "Password" (masked with dots). A blue "Sign In" button is prominent. Below the button is a checkbox for "Stay signed in" and a link for "New to Zoom? Sign Up Free". There is a section for "Sign in with SSO" (highlighted in yellow) with a key icon, and buttons for "Sign in with Google" and "Sign in with Facebook". Two red callout bubbles are present: one pointing to the blue "Sign In" button with the text "Basic or Pro Zoom accounts sign in using the blue sign in button", and another pointing to the "Sign in with SSO" button with the text "UMS Maine.edu email accounts sign in here!".

Enter your email and password

When using the **Basic** or **Pro** Zoom account click on the **blue Sign In** button.

OR

If you are using the **UMS** Zoom account that goes with your **maine.edu** email click on the button with a little key that says **“Sign in with SSO.”**

Remember!

UMS Zoom accounts must use “Sign in with SSO”!

UMS Zoom accounts only work with active maine.edu email accounts

The screenshot shows the "Sign In with SSO" dialog box. It has a "Company Domain" field with "maine" entered and ".zoom.us" on the right. A blue "Continue" button is below the field. At the bottom, there is a link that says "I don't know the company domain".

If you are asked for your “Company Domain” when signing in with SSO type **“maine”**
