

How to raise your digital hand in Zoom!

Look at the buttons at the bottom of your Zoom window.

Click on the **Reactions** button to open a small panel with some colorful icons.

Click on **"Raise Hand."** You will now see a hand in the top left corner of your Zoom window. All meeting participants will also see you have raised your hand.

Your digital hand disappears when you click on **"Lower Hand."**

A range of additional icons is also available, including the popular clapping hands icon. (These icons will disappear on their own after about 15 seconds.)

Note the three dots ●●● on the right-hand side of the panel?

Three dots in a row indicates "more options." In this case, clicking on the three dots provides a range of additional icons!
